We've completed a second great week of school at NDCA. Students and teachers are all working hard and we are getting into great routines for this year.

We have had Grace Church pastors (Win Bowman on Sept. 10 and Russ Worrada on Sept. 17) come and speak at Chapel. We will hear from their children's pastor and the youth leader as well this year.

We are already involved in so many things. Mrs. Bordihn has talked with the students about choir, Mr. Olson is working after school 4 nights a week with our Jr. and Sr. soccer teams. Mrs. Cochrane and Ms MacLachlan are heading up our Cross-Country practices. When I drop into classrooms I see the students engaged in meaningful learning opportunities. I know your child(ren)'s teacher is looking forward to seeing you at our Curriculum Night this week.

For the Curriculum Night, we will meet in the NDCA Program Room at 7:00 for a group session, followed by a visit to your child(ren)'s classroom(s). Following our classroom visit is our Fall Business Meeting. I know the Board members are all looking forward to meeting with you. Please plan to attend this meeting. Please remember this evening is for parents and teachers only. We do not have child minding provided and we do hope that each family can make arrangements to join us.

In partnership with you,

Gord

Parent Directory

We have completed this year's Parent Directory. We will send it out electronically the week of Sept. 17, 2018. This is a great way of keeping in touch with your child(ren)'s friends.

Home and School Communication

At NDCA we believe it is important to maintain open lines of communication. We will be sending home classroom newsletters on the second and fourth week of each month. Communication from the office will come weekly, with an Office Newsletter coming once a month.

Parking Area

Please remember that student drop-off and pick-up should be occurring in the lower parking lot from 8:20 a.m. – 3:45 p.m. That is NDCA's designated area. Grace Church and the Daycare use the upper parking lots.

If you drop your child off for the before care or after care programs, the upper lot can be used before 8:00 a.m. and after 4:00 p.m. to make that drop-off and pick-up easier.
